

INTERCHILE S.A.
GENERAL MANAGER'S CERTIFICATE

I, Gabriel Jaime Melguizo Posada, acting as General Manager and representative of Interchile S.A., a corporation organized and existing under the laws of Chile (the "Company"), hereby certify the following:

1. This certificate is granted in order to comply with certain guidances and principles related to certain project bonds issued by the Company during July, 2021. The issuance was made under Rule 144A and Regulation S of the United States Securities Act of 1933, for an amount of US\$ 1,200,000,000 (the "2021 Green Bond").
2. The information contained in the "*Annual Green Bond Report of ISA Interchile – May 2022*" attached hereto, specifically its Section 3, among other matters, details the projects in which the proceeds of the 2021 Green Bond have been used by the Company.
3. Hereby I certify that those projects of the Company in which the proceeds of the 2021 Green Bond have been allocated are the following:
 - i) Cardones-Polpaico Transmission Line;
 - ii) First circuit Encuentro-Lagunas Transmission Line;
 - iii) Second circuit Encuentro-Lagunas Transmission Line;
 - iv) Bank of autotransformers in Nueva Cardones, Nueva Maitencillo and Nueva Pan de Azúcar Substations;
 - v) Expansion of bars Nueva Cardones Substation;
 - vi) Expansion of Nueva Maitencillo and Nueva Pan de Azúcar Substations;
 - vii) Reactive compensation of the Nueva Pan de Azúcar-Polpaico 2x500 kV section; and
 - viii) Synchronizing control, power switches for ATR 500/220 kV Nueva Cardones, Nueva Maitencillo and Nueva Pan de Azúcar Substations.

Santiago, Chile, June 06, 2022.

Gabriel Jaime Melguizo Posada
